

Equipping, Encouraging and Uniting the Diverse Body of Christ in New England

Vision New England Association Membership FAQ

Why Become An Organizational Member?

Throughout New England, nonprofits, for-profits, and churches are all fulfilling the great commission in their unique way, and each organization's story is part of the broader story of what God is doing in the region. However, their work is often done in isolation from others doing similar work and in similar contexts.

What if there was a place where you could have easy access to others in your field of ministry who share your commitment to the Great Commission? What if these organizations could easily share the tools, resources, stories and insights that have been meaningful to them? What if you could easily and effectively equip and learn from others building the kingdom of God in New England?

Your membership in Vision New England makes this possible and is a tangible way of uniting the body of Christ, strengthening everyone in their unique call to fulfill the great commission.
